

Instructions for Final Exams 2019 Session

Please read prior to the final exams.

1. Your Pre-printed scantron will be distributed at the first and second week exams accordingly. Each scantron has been pre-printed with your name, student id (ssn), and your first or second week elective choice.

No. 2 Pencils must be used and will be distributed at the exam.

Your elective choice **cannot** be changed without prior approval from the GSB office.

2. The spaces numbered correspond to questions on your examination. Please make sure that the number on the answer sheet corresponds with the number of the question on your test.
3. Multiple choice questions are to be answered by darkening the appropriate space labeled ABCD or E. The true-false questions are to be answered by marking the A or B space.
4. Bring your Evaluation Scantron and Written Comments to turn in at the end of your exam each week.
